PROJECT MANAGEMENT UPDATE

» Milestones Hit

- Questions answered by client (They are awesome!)

- Personas created (Yay! Bonnie and Elizabeth!)

- "Home base" – exemplar started (Go, Eric .. Go Eric)
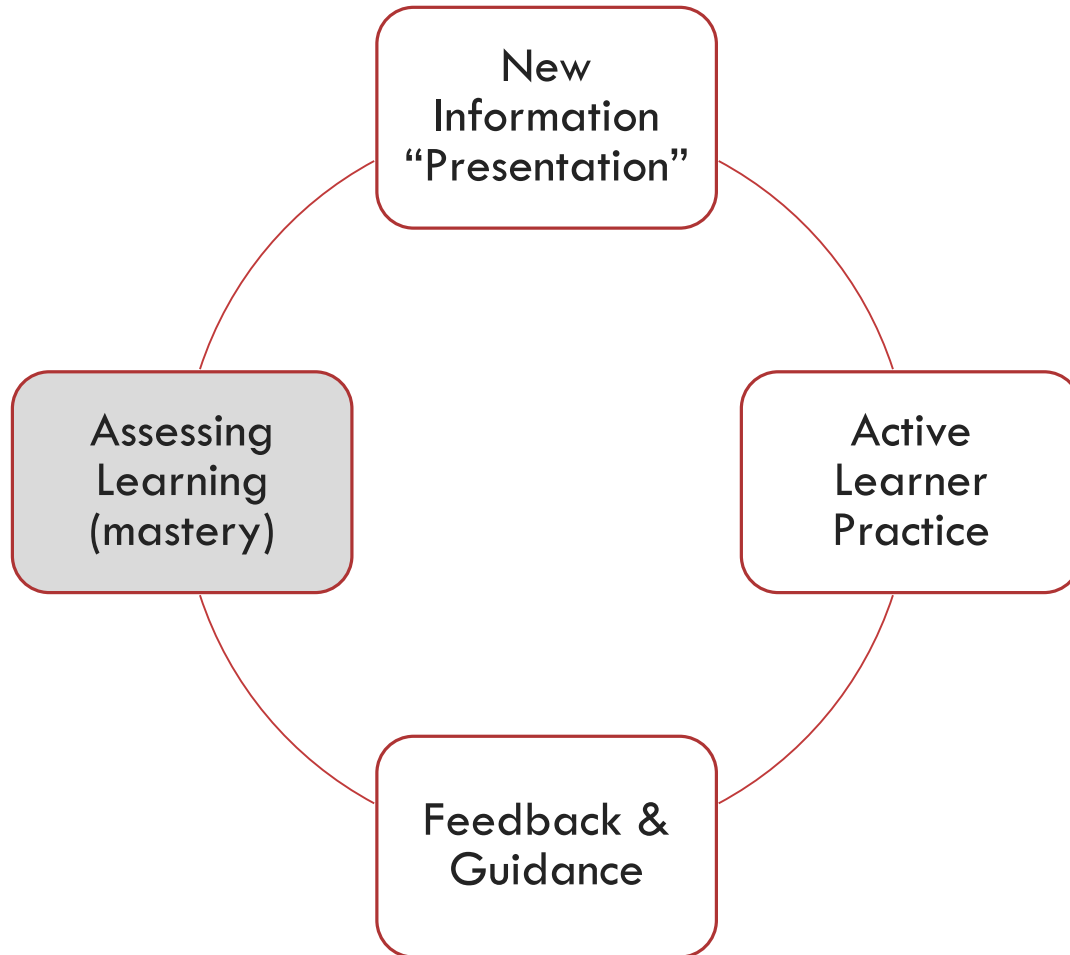

» Milestones Next Up

- Design Document – see next slide

- 1st Round Evaluation … out to client and faculty / advisors

- From Design to Development … Storyboards / Prototypes

» Other?

DESIGN DOCUMENT

» Our first (speed bump) Whoops!

- Design Plan / Design Document
  - more than semantics?
  - deliverable confusion (Jen messes up)
- Jen's hope / assumption ... again, whoops!

» Recognize need to standardize for evaluation and feedback milestone

- Ideas in heads of team members, but need on paper to be able to evaluate and offer feedback
- Gabrielle coordinating with teams

DEVELOPMENT CONSIDERATIONS

» Media and Technology ... keep it simple to accommodate:

- Low bandwidth / older hardware / readily-available software

- Learners who have never used computers for learning

- Lower skilled instructional "developers"

- Long term access, sustainability, future adaptability

» Short Development Window (Reality)

- PowerPoint is fine for deliverable!

- So ... heeeeeeeeeeer's Eric with ideas
